Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Adalimumab	Humira	Paediatric uveitis	NHS England Area Team	Not for primary care prescribing		Not routine - needs IFR approval	As per IFR approval	As per IFR approval
Adalimumab	Humira	Rheumatoid arthritis	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA130	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA130
Adalimumab	Humira	Ankylosing spondylitis	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA143	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA143
Adalimumab	Humira	Psoriasis	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA146	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA146
Adalimumab	Humira	Crohns	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA187	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA187
Adalimumab	Humira	Rheumatoid arthritis (after failure of anti-TNF)	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA195	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA195
Adalimumab	Humira	Psoriatic arthritis	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA199	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA199
Adalimumab	Humira	Ulcerative colitis (moderate to severe)	CCG Not commissioned	Not commissioned		TA262	Not recommended for use (Double Red)	http://guidance.nice.org.uk/TA262
Adalimumab	Humira	All other indications	CCG Not commissioned	Not commissioned			Not recommended for use (Double Red)	
Adalimumab	Humira	Paediatric indications where adult TA available & Juvenile Arthritis	NHS England Area Team	Not for primary care prescribing		As per adult TA 130 143 146 187 199	Hospital only prescribing (Red)	Transfer to adult care upper limit 19th birthday. NICE audit
Adalimumab	Humira	Uveitis - paediatric	NHS England Area Team	Not for primary care prescribing	Not routinely commissioned	As per IFR approval	As per IFR approval	As per IFR approval
Adalimumab	Humira	Behçet's syndrome	National Specialist Commissioning	Not for primary care prescribing		A3c Rheumatology	Hospital only prescribing (Red)	
Adalimumab	Humira	Second line anti-TNF post Etanercept in ankylosing spondylitis, psoriatic arthritis or rheumatoid arthritis where IBD developed during treatment	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TAG	Hospital only prescribing (Red)	
Adefovir	Hepsera	Viral Hepatitis B&C & Respiratory Syncytial Virus	NHS England Area Team	Not for primary care prescribing. If required, must be recharged to NHS England Area Team		Not routinely commissioned (CG185)	NICE not recommended	
ADHD drug treatment		Children & adolescents first line	Not commissioned	Not commissioned		CG72	NICE not recommended	NICE Do Not Do

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
ADHD drug treatment		Pre-school children	Not commissioned	Not commissioned		CG72	NICE not recommended	NICE Do Not Do
Afamelanotide		EPP	Not commissioned	Not commissioned			Not recommended for use (Double Red)	
Afatinib		Cancer	NHS England Area Team	Not for primary care prescribing		TA 310	Hospital only prescribing (Red)	NICE audit
Aflibercept		wet AMD	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA294	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA294
Aflibercept		Macular oedema (retinal vein occlusion)	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA305	Under review	http://guidance.nice.org.uk/TA305
Aflibercept		Cancer	CDF	Not for primary care prescribing		CDF policy	CDF	SACT & CDF national audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Aflibercept		Metastatic colorectal cancer	Not commissioned by NHS England Area Team	Not commissioned		TA 307	NICE not recommended	NICE Do not Do
Aflibercept		Wet AMD in patients requiring >8 injections Ranibizumab per eye per year	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TAG	Hospital only prescribing (Red)	Under review
Aflibercept		Wet AMD in patients intolerant to Ranibizumab	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA294	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA294
Aflibercept		Wet AMD in patients inadequate response to Ranibizumab	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA294	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA294
Agalsidase alfa and beta	Fabrazyme/Replagal	Fabry's disease	NHS England Area Team	Not for primary care prescribing		NHS England Service Specification	Hospital only prescribing (Red)	Highly specialised database
Agomelatine	Valdoxan	Major Depressive Episodes	Not commissioned	Not commissioned		TA231	Not recommended for use (Double Red)	http://guidance.nice.org.uk/TA231
Aldesleukin	Proleukin	Cancer	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned	As per IFR approval	As per IFR approval

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Alemtuzumab		MS	NHS England Area Team	Not for primary care prescribing		Only if provided at zero cost. TA 312	Hospital only prescribing (Red)	Only if free stock
Alemtuzumab		CLL	NHS England Area Team	Not for primary care prescribing		Only if provided at zero cost	Hospital only prescribing (Red)	Trust guidelines
Alemtuzumab		Pre-transplant immunosuppression	NHS England Area Team	Not for primary care prescribing		Trust guidelines islet transplantation only if zero drug cost	Hospital only prescribing (Red)	Trust guidelines
Alendronate & Vitamin D combination	Fosavance	Secondary prevention osteoporotic fragility fractures in postmenopausal women	Not commissioned	Not commissioned			Norfolk & Waveney Drugs of Low Priority	Local policy
Alendronic Acid	Generic	Secondary prevention osteoporotic fragility fractures in postmenopausal women	CCG Commissioned. In tariff.	Commissioned		TA161	Hospital & GP Prescribing (Double Green)	http://guidance.nice.org.uk/TA161
Alendronic Acid	Generic	Primary prevention osteoporotic fragility fractures in postmenopausal women	CCG Commissioned. In tariff.	Commissioned		TA160	Hospital & GP Prescribing (Double Green)	http://www.nice.org.uk/guidance/TA160
Alfacalcidol	Generic	Preparation for hyperparathyroidectomy	CCG Commissioned. In tariff.	Commissioned		TAG	GP Prescribing at request of Trust Specialist (Green)	
Alglucosidase alfa	Myozyme	Pompe Disease	NHS England Area Team	Not for primary care prescribing		NHS England Service Specification	Hospital only prescribing (Red)	Highly specialised database
Aliskiren	Rasilex	Essential hypertension	CCG Not commissioned	Not commissioned		TAG	Not recommended for use (Double Red)	MHRA safety report
Alisporivir		Viral Hepatitis (B&C) & Respiratory Syncytial Virus	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned		
Alitretinoin	Toctino	Severe refractory chronic hand eczema	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		TA177	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA177
Alpha blockers		Cor pulmonale	Not commissioned	Not commissioned			NICE not recommended	NICE Do not Do
Alteplase	Actilyse	Acute ischaemic stroke	Commissioned. In tariff top up - no extra drug charge	Not for primary care prescribing		TA264 & TA52 & TA122	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA264
Amantadine		Prophylaxis of Influenza	CCG Not commissioned	Not commissioned		TA158	Not recommended for use (Double Red)	http://www.nice.org.uk/guidance/TA158

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Amantadine		Treatment of Influenza	CCG Not commissioned	Not commissioned		TA168	Not recommended for use (Double Red)	http://www.nice.org.uk/guidance/TA168
Ambrisentan	Volibris	Pulmonary Arterial Hypertension	NHS England Area Team	Not for primary care prescribing		NHS England Policies A11/P/a & b	Hospital only prescribing (Red)	As per policy. http://www.england.nhs.uk/wp-content/uploads/2013/04/a11-p-a.pdf
Amifampridine Phosphate	Firdapse	LEMS Neuromuscular disorder	NHS England Area Team	Not for primary care prescribing		NHS England Policies D04/PS/a	As per IFR approval	As per IFR approval. Policy http://www.england.nhs.uk/wp-content/uploads/2013/04/d04-ps-a.pdf
Amiodarone	Generic	Supraventricular & ventricular arrhythmias	CCG Commissioned. In tariff.	Commissioned		TAG	GP Prescribing at request of Trust Specialist (Green)	NICE CG under review. http://guidance.nice.org.uk/CG/Wave0/638
Amphotericin B (liposomal)	Ambisome Abelcet	Fungal infection	NHS England Area Team	Not for primary care prescribing		Trust guidelines	Hospital only prescribing (Red)	Number of patients treated & proportion given for SPC indication within policy
Amprenavir		HIV infection	National Specialist Commissioning	Not for primary care prescribing		BIHVA guidelines	Hospital only prescribing (Red)	
Amrolifine	Loceryl	Fungal nail infections (topical)	Not commissioned	Not commissioned			Norfolk & Waveney Drugs of Low Priority	Local policy
Anagrelide	Xagrid	Thrombocythaemia	CCG Commissioned. In tariff.	Commissioned	Yes	TAG	Shared care available (Amber)	Subject to funding transfer
Anakinra	Kineret	Adult indications	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned	As per IFR approval	As per IFR approval
Anakinra	Kineret	Paediatric indications	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned	As per IFR approval	As per IFR approval
Anakinra	Kineret	Cryopyrin-associated periodic syndrome	NHS England Area Team	Not for primary care prescribing		Cryopyrin Associated Periodic Syndrome Service Specification	Hospital only prescribing (Red)	Highly specialised database
Anastrozole	Generic	Early oestrogen-receptor-positive breast cancer post-menopause.	CCG Commissioned. In tariff.	Commissioned		TA112	GP Prescribing at request of Trust Specialist (Green)	http://guidance.nice.org.uk/TA112
Anidulafungin	Ecalta	Fungal infection	NHS England Area Team	Not for primary care prescribing		Trust Guidelines	Hospital only prescribing (Red)	Number of patients treated. Proportion given for SPC indications within policy
Antacid therapy		Long term frequent use	Not commissioned	Not commissioned		CG17	NICE not recommended	NICE Do not Do
Anti TNF		RA dose escalation above starting dose	Not commissioned	Not commissioned		TA130	NICE not recommended	NICE Do not Do

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Anti TNF		Use in RA before DMARDs	Not commissioned	Not commissioned		CG79	Not recommended for use (Double Red)	NICE Do not Do
Antibiotic prophylaxis		Infective endocarditis and interventional procedure (dental or non dental)	Not commissioned	Not commissioned		CG64	NICE not recommended	NICE Do not Do
Antibiotics (oral for children)		Fever without apparent source	Not commissioned	Not commissioned		CG47	NICE not recommended	NICE Do not Do
Anticoagulant self monitoring (test strips)	Coagucheck	INR monitoring	CCG Commissioned. In tariff.	Commissioned		TAG	Hospital & GP Prescribing (Double Green)	
Anti-D immunoglobulin		Rh-ve pregnant women	National Specialist Commissioning	Not for primary care prescribing		TA156	Hospital only prescribing (Red)	
Antihaemophilic Factor/von Willebrand Factor Complex		As per BCSH Guidelines	NHS England Area Team	Not for primary care prescribing		BCSH Guidelines	Hospital only prescribing (Red)	BCSH Guidelines
Antihistamines (oral)		Atopic eczema in children	Not commissioned	Not commissioned			NICE not recommended	NICE Do not Do
Antilymphocyte globulin		Aplastic anaemia, organ transplant	NHS England Area Team	Not for primary care prescribing	Not routinely commissioned	BCSH Guidelines	Hospital only prescribing (Red)	BCSH Guidelines
Antioxidant Nutritional Supplements		All indications	Not commissioned	Not commissioned		TAG	Not recommended for use (Double Red)	NICE Do not Do
Antioxidants AMD	Various	AMD	Not commissioned	Not commissioned			Norfolk & Waveney Drugs of Low Priority	Local policy
Antipsychotics		ADHD (adults or children)	Not commissioned	Not commissioned		CG72	Not recommended for use (Double Red)	NICE Do not Do
Antipsychotics		Borderline personality disorder (medium to long term treatment)	Not commissioned	Not commissioned		CG78	Not recommended for use (Double Red)	NICE Do not Do
Antipsychotics		Combined use (except for short periods)	Not commissioned	Not commissioned		CG178	NICE not recommended	NICE Do not Do
Antipsychotics		Generalised Anxiety Disorder	Not commissioned	Not commissioned		CG113	Not recommended for use (Double Red)	NICE Do not Do
Antipsychotics (excluding Clozapine)		Schizophrenia	CCG Commissioned. In tariff.	Commissioned		NICE CG 82	Shared care available (Amber)	http://guidance.nice.org.uk/CG82
Antithrombin III		As per BCSH Guidelines	NHS England Area Team	Not for primary care prescribing		BCSH Guidelines	Hospital only prescribing (Red)	BCSH Guidelines

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Antithymocyte immunoglobulin	Thymoglobulin e	Aplastic anaemia, organ transplant	NHS England Area Team	Not for primary care prescribing		BCSH Guidelines	Hospital only prescribing (Red)	BCSH Guidelines
Apixaban	Eliquis	For prevention of VTE after total hip or knee replacement in adults	CCG Commissioned. In tariff.	Not for primary care prescribing		TA245	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA245
Apixaban	Eliquis	Prevention of stroke and systemic embolism (non-valvular atrial fibrillation)	CCG Commissioned. In tariff.	Commissioned		TA275	Hospital & GP Prescribing (Double Green)	http://guidance.nice.org.uk/TA275
Apomorphine		Parkinson's Disease	CCG Commissioned. In tariff.	Not for primary care prescribing		TAG	Hospital only prescribing (Red)	Local Homecare delivery arrangement
Apremilast		Psoriasis & Psoriatic arthritis	Not commissioned	Not commissioned			Not recommended for use (Double Red)	NICE under review
Aripiprazole	Abilify	Schizophrenia	CCG Commissioned. In tariff.	Commissioned	Yes	NICE CG 82	Shared care available (Amber)	http://guidance.nice.org.uk/CG82
Aripiprazole	Abilify	Schizophrenia 15 to 17 yrs	CCG Commissioned. In tariff.	Commissioned	Yes	TA213	Shared care available (Amber)	http://guidance.nice.org.uk/TA213
Aripiprazole	Abilify	Bipolar disorder in adolescents	CCG Commissioned. In tariff.	Under review	Yes	NICE TA 292	Shared care available (Amber)	http://guidance.nice.org.uk/TA292
Aromatase inhibitors	Various	Adjuvant hormonal treatment of early oestrogen receptor positive breast cancer in post menopausal women	CCG Commissioned. In tariff.	Commissioned		NICE CG 80	GP Prescribing at request of Trust Specialist (Green)	http://guidance.nice.org.uk/CG80
Atazanavir	Reyataz	HIV infection in combination with other antiretroviral drugs	NHS England Area Team	Not for primary care prescribing		BHIVA Guidelines	Hospital only prescribing (Red)	HARS dataset
Atomoxetine		ADHD	CCG Commissioned. In tariff.	Commissioned	Yes	TA98	Shared care available (Amber)	http://guidance.nice.org.uk/TA98
Avatrombopag		Platelet disorder	Not commissioned	Not commissioned			Not recommended for use (Double Red)	Not in NICE workprogramme yet
Autologous serum eye drops		Dry eye	Not commissioned	Not commissioned			Not recommended for use (Double Red)	
Axitinib		Cancer	NHS England Area Team	Not for primary care prescribing		CDF	Hospital only prescribing (Red)	CDF national audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Azacitidine	Vidaza	Myelodysplastic syndrome	NHS England Area Team	Not for primary care prescribing		TA218	Hospital only prescribing (Red)	NICE audit

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Azathioprine	Generic	Transplant immunosuppression only	NHS England Area Team	Not for primary care prescribing		Trust Guidelines	Hospital only prescribing (Red)	Until formal repatriation agreed. Product with lowest procurement cost to be used. CCG reimbursement until repatriation
Azathioprine	Generic	UC/Crohns	CCG Commissioned. In tariff.	Commissioned	Yes	TAG	Shared care available (Amber)	
Azilsartan		Hypertension	Not commissioned	Not commissioned			Norfolk & Waveney Drugs of Low Priority	Local policy
Aztreonam		Cystic Fibrosis	NHS England Area Team. Only excluded when given by nebulisation or inhalation	Not for primary care prescribing. If required, must be recharged to NHS England Area Team		NHS England Policy A01/PS/a	Hospital only prescribing (Red)	As per policy http://www.england.nhs.uk/wp-content/uploads/2013/04/a01-ps-a.pdf
Baclofen		Intrathecal Pump	National Specialist Commissioning	Not for primary care prescribing			Hospital only prescribing (Red)	NHS E policy http://www.england.nhs.uk/wp-content/uploads/2013/04/d04-p-c.pdf
Basiliximab	Simulect	Renal transplant	NHS England Area Team	Not for primary care prescribing		TA85 & TA99	Hospital only prescribing (Red)	NICE
BD Autoshields			Not commissioned	Not commissioned			Norfolk & Waveney Drugs of Low Priority	Local policy
Becaplermin	Regranex	Diabetic ulcers	CCG Commissioned. In tariff.	Not commissioned		TAG	Hospital only prescribing (Red)	
Belatacept		Renal transplant	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned	Not recommended for use (Double Red)	NICE TA in progress
Belimumab	Benlysta	SLE	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned	Not recommended for use (Double Red)	NICE TA in progress
Belimumab		Renal transplant	National Specialist Commissioning	Not for primary care prescribing			Hospital only prescribing (Red)	
Bendamustine		Cancer	NHS England Area Team	Not for primary care prescribing		TA216 or CDF	Hospital only prescribing (Red)	NICE audit & CDF audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Benzodiazepines		Ongoing treatment alcohol dependence	Not commissioned	Not commissioned		CG115	NICE not recommended	NICE Do not Do

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Benzodiazepines		Panic disorder	Not commissioned	Not commissioned		CG113	NICE not recommended	NICE Do not Do
Beractant	Survanta	Respiratory distress syndrome neonates	NHS England Area Team	Not for primary care prescribing		Trust Guidelines	Hospital only prescribing (Red)	
Betaine	Cystadane	Homocystinuria	NHS England Area Team	Not for primary care prescribing		Highly specialised criteria only NHS England Service Specification	Hospital only prescribing (Red)	Highly specialised database
Bevacizumab	Avastin	Neurofibromatosis	NHS England Area Team	Not for primary care prescribing	Not routinely commissioned	As per IFR approval	As per IFR approval	As per IFR approval
Bevacizumab	Avastin	Cancer	NHS England Area Team	Not for primary care prescribing		CDF policy	Hospital only prescribing (Red)	SACT & National CDF audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Bexarotene		CTCL	National Specialist Commissioning	Not for primary care prescribing			Hospital only prescribing (Red)	
Bilvarudin		STEMI Treatment	CCG Commissioned. In tariff.	Not for primary care prescribing		TA230	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA230
Boceprevir	Victrelus	Viral Hepatitis B&C & Respiratory Syncytial Virus	NHS England Area Team	Not for primary care prescribing		TA253	Hospital only prescribing (Red)	NICE audit
Bortezomib	Velcade	Cancer	NHS England Area Team	Not for primary care prescribing		TA228, 129, 311 & CDF	Hospital only prescribing (Red)	SACT & National CDF audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Bosentan	Tracleer	Digital ulcers	NHS England Area Team	Not for primary care prescribing		Not routinely commissioned	As per IFR approval	As per IFR approval
Bosentan	Tracleer	Pulmonary Arterial Hypertension	NHS England Area Team	Not for primary care prescribing		NHS England Policy	Hospital only prescribing (Red)	As per policy
Bosutinib		CDF	NHS England Area Team	Not for primary care prescribing		CDF policy	Hospital only prescribing (Red)	SACT & National CDF audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Botulinum toxin A		Chronic migraine	CCG Commissioned in line with NICE. Non Tariff. Notification	Not for primary care prescribing		TA260	Hospital only prescribing (Red)	http://guidance.nice.org.uk/TA260
Botulinum toxin A		Achalasia and gastroparesis	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Blepharospasm	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
Botulinum toxin A		Chronic anal fissure	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Focal spasticity	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Hemifacial spasm	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Neurogenic and non neurogenic detrusor overactivity in paediatric patients who have not responded to antimuscarinic treatment	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Oesophageal spasm and nutcracker oesophagus	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Overactive bladder/detrusor overactivity	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Spasmodic torticollis	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin A		Spasticity in neuromuscular conditions	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Botulinum toxin B		Spasmodic torticollis where Botulinum A contra indicated	CCG Commissioned. Non Tariff. Notification	Not for primary care prescribing		Local policy. Notification required	Hospital only prescribing (Red)	
Brentuximab		CDF	NHS England Area Team	Not for primary care prescribing		CDF policy	Hospital only prescribing (Red)	SACT & National CDF audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Buprenorphine	Subutex	Substance dependence	PH Commissioned	Requires recharge to PH if prescribed in primary care	Yes	TA114	Shared care available (Amber).	http://guidance.nice.org.uk/TA114
Buprenorphine	Transdermal patches	Pain relief in patients with renal impairment (CKD 4) at risk opioid toxicity	CCG Commissioned. In tariff.	Commissioned		TAG	GP Prescribing at request of Trust Specialist (Green)	
Bupropion	Zyban	Smoking cessation in people with bipolar or psychosis	Not commissioned	Not commissioned		NICE CG 178	NICE not recommended	NICE Do not Do
Busulfan	Generic	Chemotherapy in line with Network regimens	National Specialist Commissioning	Not for primary care prescribing			Hospital only prescribing (Red)	

Combined Commissioned Drug Therapies List

Key: Red fill - TAG Double Red / Red font - TAG Red (Hospital Only) / Green fill - TAG Double Green / Green font - TAG Green / Blue - SCG

Approved Name	Brand	Indication	Responsible Commissioner	Primary Care Funding Status	Shared Care or other?	Guidance	TAG classification or Prescribing Responsibility (if any)	Further information & monitoring requirements
C1 Esterase inhibitor	Berinerit	Hereditary angiodema - acute treatment only	NHS England Area Team	Not for primary care prescribing		NHS England Policy B09/P/b	Hospital only prescribing (Red)	As per policy http://www.england.nhs.uk/wp-content/uploads/2013/04/b09-p-b.pdf
Cabazitaxel	Jevtanat	CDF	NHS England Area Team	Not for primary care prescribing		CDF policy	Hospital only prescribing (Red)	SACT & National CDF audit http://www.england.nhs.uk/wp-content/uploads/2014/02/ncdf-list-feb14.pdf
Calcium & ergocalciferol as generic		Prescriptions written as "calcium and ergocalciferol" or "calcium and vitamin D" without a strength will be dispensed as the generic tablet which contains inadequate doses of calcium and ergocalciferol to prevent osteoporosis related fractures and falls	Not commissioned	Not commissioned			Norfolk & Waveney Drugs of Low Priority	Local policy
Calcium channel blockers		Cor pulmonale	Not commissioned	Not commissioned		CG101	NICE not recommended	NICE Do Not Do
Canakinumab		Juvenile arthritis	NHS England Area Team	Not for primary care prescribing		NICE TA in progress-not routinely commissioned	As per IFR approval	As per IFR approval
Canakinumab		Cryopyrin-associated periodic syndrome	NHS England Area Team	Not for primary care prescribing		Cryopyrin Associated Periodic Syndrome Service Specification	Highly specialised criteria only	Highly specialised database
Cannabis (all forms including Nabilone)		All indications	CCG Not commissioned	Not commissioned		TAG	Not recommended for use (Double Red)	
Cannabis spray	Sativex	Adjuvant moderate to severe spasticity in MS	CCG Not commissioned	Not commissioned		NICE discontinued	Not recommended for use (Double Red)	
Capecitabine		Colon cancer	National Specialist Commissioning	Not for primary care prescribing		TA100	Hospital only prescribing (Red)	
Capecitabine		Colorectal cancer	National Specialist Commissioning	Not for primary care prescribing		TA61	Hospital only prescribing (Red)
